EXERCISE OBJECTIVES

- Improve coalition interoperability
- Enhance combat readiness
- Train commanders and staff in Decisive Action operations
- Professional exchange with partners

Saber Strike 2014 is a multinational military exercise scheduled for June 9-20 occurring at various locations in Lithuania, Latvia and Estonia, involving approximately 4,500 personnel from ten partner nations.

The exercise promotes regional stability, strenthens international military partnerships, enhances multinational interoperability and prepares participating nations for multinational contingency operations worldwide.

About us: U.S. Army Europe is uniquely positioned to advance American strategic interests across Eurasia as U.S. European Command's force of choice and has unparalleled capability to prevent conflict, shape the environment and, if necessary, win decisively. The relationships we build during 1000 theater security cooperation events in more than 40 countries each year lead directly to support for multinational contingency operations around the world, strengthen regional partnerships and enhance global security.
