

LOCATION MATTERS

Near the heart of the NATO Alliance, the ISTC's location in Pfullendorf, Germany provides convenient and cost-efficient access to advanced SOF training.

Additionally, the ISTC leverages nearby national training areas in Germany and Austria to ensure each course is specifically tailored to provide the most realistic and relevant training experiences in Europe.

A TEAM OF TEAMS

The ISTC is funded and organized by a nine-member nation team (Belgium, Denmark, Germany, Greece, Italy, the Netherlands, Norway, Turkey and the U.S.).

Each member nation brings unique perspectives and experiences to the ISTC, creating a dynamic training program for multinational special operations teams.
