Office of the Commander

Dear Incoming Soldier:

Congratulations on your assignment to Germany with the Headquarters & Headquarters Detachment, 106th Financial Management Company! Bamberg is known for its heritage and smoked Rauchbier. I encourage you to begin researching our surroundings on the many available websites and to review the ACS packet your sponsor will send to you. The local community is one of the friendliest and most supportive in Germany. I am sure you will find that the community offers a great deal of culture, sightseeing and entertainment opportunities.

HHD/ 106th Financial Management Company (FMCO) coordinates and executes Financial Management Support on an area basis while providing logistical and administrative support to four outlying detachments throughout USAREUR. HHD/ 106th FMCO also provides support to Joint Operations and stands ready to deploy worldwide. We are looking forward to your arrival and integration into our family. Soldiers from the Headquarters & Headquarters Detachment participates in many theater level exercises with partnership nations such as Romania, Latvia, Croatia, Israel and Turkey to name a few.

Your assigned sponsor is a highly motivated individual and will ensure that you arrive, are processed into the unit and the community, and will be able to answer most of your questions about your new duty station. Please contact them with any questions or concerns you have prior to your arrival to ease the burdens of your move.

Once again, welcome to the HHD family and the 106th Financial Management Company. I am confident that you will find your tour with us both challenging and rewarding. If there is any way I can help to make your transition smoother or if you have any questions, please email me at andrale.jeanlouis2.mil@mail.mil or call me at COMM: 011-49-1725-345-611.

Diamondbacks!

Sincerely,

Andrale Jean-Louis
