86th Vehicle Operations is proud to provide the best possible shuttle service to our customers within the KMC. **Reminder:** Shuttle Bus arrival and departure times are approximate, and may be delayed depending upon traffic, weather, road conditions or other unforeseen circumstances. In accordance with public law and AFI 24-301; **The shuttle bus system is designed to support military and Department of Defense civilian employees conducting official government business.** All other people ride on a space-available basis only and are subject to disembark at any location due to an increase in duty passengers. Other avenues for people to use for movement through the area are local commercial bus service, taxis and trains. We also highly encourage other means such as the sponsorship program, friends and co-workers to transport people whenever possible. This act is a great means of building camaraderie and taking care of your own.

Effective Date: Jan. 6
