- **240:** Number of military police on patrol during a typical day
- **32:** Number of multinational exercise with European ally and partner nation personnel scheduled for FY14

## 7TH CIVIL SUPPORT COMMAND

"An Ocean Closer"

To anticipate, plan, and coordinate with US Government agencies and Foreign Nations in order to rapidly, smoothly, and efficiently provide a coordinated Department of Defense Disaster Response to a Host Nation when requested in support of the United States Army Europe and European Command missions as the Joint Task Force—Consequence Management (JTF-CM).

### Capabilities

- Monitor CBRN survey with presumptive confirmation
- Enable forces to assist JIIM partners and prevent further suffering
- Conduct consequence management training

## 16TH SUSTAINMENT BRIGADE

"Deeds Not Words"

Provides Mission Command of 3-7 Sustainment and/or Functional Logistics Battalions, and assigned Human Resources and Financial Management Companies. On order, conducts Theater Opening, Theater Distribution, and supports Redeployment Operations. Provides support to Joint, Interagency, Intergovernmental, and Multinational Forces as directed.

### Capabilities

- Only Echelons Above Brigade and Combat
- Sustainment Support Battalion in USAREUR
- The only multi-functional transportation battalion in USAREUR
- Only Inland Cargo Transfer Company in USAREUR
- Provides Movement Control Team and Customs Clearance Officer support to USAREUR

## 18TH MILITARY POLICE BRIGADE

"Ever Vigilant"

Deploys units and individuals in support of Unified Land Operations while enhancing security and enabling mobility. The 18th MPs conduct law enforcement in order to provide a safe and secure environment throughout US Army Europe.

### Capabilities

- Provides professional law enforcement
- Supports multi-national partnership
- Provides in-transit security
- Maintains the EUCOM correctional facility
- Provides worldwide military working dog support

## 30TH MEDICAL BRIGADE

"Victory Medics... Strong Teams!"

Provides scalable mission command for assigned or attached medical functional units task-organized in support of a deployed division/corps. On order, provides modular medical capabilities to United States Europe contingency plans.

### Capabilities

- Health protection to USAREUR forces
- Combat casualty care and medical evacuation
- Training to partner nations
- Support to overseas contingency operations

## THEATER LOGISTICS SUPPORT CENTER—EUROPE

"The Best Supporting the Best"

Execute theater sustainment and force projection support and maintain the theater sustainment base by providing logistical services to Joint, Combined, Army, and Multinational Forces supporting USAREUR and the Combatant Commands.

### Capabilities

- DS/GS supply; field and sustainment maintenance
- Central distribution
- Certified HAZMAT storage facility
- APO Mail delivery operations
- Logistics service support
