

Greetings!

Welcome to Germany and Team 21--the opportunity of a lifetime awaits you! As the Family Readiness Support Assistant (FRSA) for the 21st Theater Sustainment Command (TSC), I am here to help you and your Family to make a smooth transition into our unit and can provide you with the resources you need to have a productive and enjoyable experience here in Germany.

My main duty is to provide the Commander and the Family Readiness Group (FRG) administrative assistance in support of our Family Readiness programs and activities. The 21st TSC FRG is active in the community, and its members work diligently to support our Soldiers and their Families. Our FRG strives to be a great resource for you and your families.

Again, welcome to the 21st TSC family, and I look forward to meeting and working with you. It is my privilege to support the best Soldiers and Families in the world! Whatever assistance you need, please feel free to contact me by phone or email at anytime.
