Safety Report Card

USAREUR Four Day Holiday Weekend, 3-7 July 2014

Number of DUI Arrests: 3

Number of Motor Vehicle Accidents: 1

Number of Injuries: 0

MVA #1: After a full day of work, a Soldier was riding to the gym on his motorcycle for a workout. He was being followed by another motorcycle that did not see him signal to turn right and passed on the right causing the accident. As a direct result of his wearing the required Personal Protective Equipment (PPE), the Soldier sustained only minor injuries.

DUI#1: After a Soldier drew the Polizei's attention with a loud exhaust system, the Polizei stopped him. As a result of the traffic stop, the Soldier was apprehended for Driving Under the Influence. This was the Soldier's third alcohol related offense.

DUI #2: During a routine checkpoint stop, the Polizei apprehended a Soldier for Driving Under the Influence.

DUI #3: At a random sobriety checkpoint, the Polizei apprehended a Soldier for Driving Under the Influence. After the Polizei made multiple attempts to acquire a breath test, the Polizei transported the Soldier to a hospital where a blood sample was taken.

Set a good example. We as leaders, parents, spouses and friends can influence those around us.
