21st TSC to conduct Amnesty Day

KAISERSLAUTERN, Germany – The 21st Theater Sustainment Command has scheduled an Amnesty Day to allow individuals to turn in abandoned or unauthorized ammunition and explosives Oct. 9 from 8 a.m. to 2:30 p.m. at the Theater Logistics Support Center – Europe Ammunition Supply Point 9 at the Miesau Army Depot, Miesau, Germany.

Abandoned or unauthorized ammunition and explosives come from a variety of sources – to include training ranges, souvenirs from peacekeeping missions, and military artifacts. The possessor could face disciplinary action, if found in possession of these items.

The amnesty program provides a means of turning in such items with no repercussions or disciplinary action, while remaining anonymous. The program, however, is not intended to circumvent normal ammunition turn-in procedures.

Those turning in unauthorized ammunition and explosives during Amnesty Day need to notify the guard at the turn-in point of the presence of amnesty items. The guard will provide escort to and from the turn-in point.

For more information on the amnesty program and the 21st TSC Amnesty Day,
