

FREE TAX HELP!

The 21st TSC Office of the Staff Judge Advocate provides free tax assistance at three locations in the KMC. Our tax centers will remain open through June 15th. We prepare and electronically file federal and state income tax returns. We also prepare amended and prior year returns. We accept appointments, walk-ins, and drop-offs. Our staff is well-trained and our services are absolutely free. Why waste your hard-earned pay on a commercial tax preparer or tax software? Let our tax experts *“show you the money!”*
