CG's Millrinder Message #7: A Talented and Dedicated Workforce

Team 21, last week I had the distinct honor of saluting both our Soldiers and Civilians, highlighting their remarkable talent. We presented length of service awards to 52 of our Civilians and local nationals. I was astounded to learn that their combined length of service totaled 1,370 years. This speaks to the dedication and professionalism our teammates bring to the workplace every day. Shortly after that ceremony, I inducted 6 of our noncommissioned officers into the prestigious Sergeant Morales Club. A big HOOAH to these Soldiers!

The talented and dedicated individuals we have at the 21st TSC are getting the job done on-time and in-budget at Mihail Kogalniceanu (MK) Air Base in Romania. Our Soldier engineers and contractors are moving quickly to complete this state-of-the-art passenger transit center for our troops returning from Afghanistan. Recently we started welcoming our first CONUS-bound flight through transit center MK. These battle-worn troops deserve, and will receive, the best possible services and facilities before they return home to loved ones.

In March, we celebrate the talented women who helped shape our Nation and Armed Forces. This year's theme spotlights the "character, courage, and commitment" of extraordinary women-- past, present, and future. Take a look at the National Women's History Project website for the list of 2014 honorees. Many of them have served in our U.S. military ranks and continue to inspire future generations.

March is also National Nutrition Month. "Enjoy the Taste of Eating Right" is this year's theme. Let's make sure that we keep our talented workforce in the best possible shape through healthy food choices and physical activity. A fit force is a powerful force; it begins with you.

God bless you, Team 21 Families, our Army, and the Nation as we support and defend!

FIRST IN SUPPORT-READY STRONG!

Sincerely,

John R. O'Connor
