FOR PUBLIC RELEASE

Media Fact Sheet
30th Medical Brigade

Background
The 30th Medical Brigade headquarters provides expeditionary theater-level medical mission command, health service support, force health protection, and medical synchronization of assigned and attached medical forces in support of Kosovo Force, European Command, Africa Command, Central Command, and U.S. Army Europe, or any directed global contingency operation.

Our multi-faceted capabilities include Level I, II, and III combat health support, forward surgical support, combat operational stress control, preventive medicine, optometry services, medical logistics, and veterinary services in support of Unified Land Operations.

The headquarters is located in Sembach, Germany, but supporting units under 30th Medical Brigade are located at installations across Germany.

Deployment Support
Elements from 30th Medical Brigade constantly maintain a deployment readiness posture. Soldiers of 30th Medical Brigade have completed tours of duty in Afghanistan and Iraq, while simultaneously supporting missions throughout Europe and Africa, including disaster relief efforts, and NATO exercises such as Saber Guardian, Saber Junction, Anakonda, and Trident Juncture. The 30th Medical Brigade continues to support Kosovo Force, European Command, Africa Command, Central Command, and U.S. Army Europe.
