FOR IMMEDIATE RELEASE

Unmanned Aerial System goes down in Hohenfels Training Area

GRAFENWOEHR, Germany (Nov. 12, 2014) - A U.S. Army unmanned aerial system, RQ-7 Shadow, went down Nov 4, at approximately 1600 in the Hohenfels Training Area during a training mission.

The UAS was found immediately after it went down.

The UAS stayed within the established boundaries of the training area at all times. There was no damage to personnel or property, other than to the UAS itself. The extent of the damage to the UAS is still unknown.

The UAS belongs to the 1st Brigade Combat Team, 1st Cavalry Division, part of the European Rotational Force, participating in exercise Combined Resolve III.

The incident is under investigation.
