FOR IMMEDIATE RELEASE

Weather Causes Precautionary Landing

GRAFENWOEHR, Germany (Mar. 4, 2014) – At approximately 9:00 this morning, six UH-60 Blackhawk helicopters from the 12th Combat Aviation Brigade made a precautionary landing south of Hirschau due to limited visibility conditions.

All six aircraft completed their journey from Ansbach and safely landed at Grafenwoehr Army Airfield in the early afternoon. No injuries or damage to aircraft or property were sustained.

These aircraft flew to the Grafenwoehr Training Area to participate in their mission rehearsal exercise prior to deployment to Afghanistan where they will provide medical evacuation and combat support to U.S., German and multinational allies and partners there.
