

# Setting up your account

<https://miap.csd.disa.mil>

- Please follow the 4 steps prior to login
1. Register your Common Access Card Certificates (CAC)
  2. Printer Set Up
  3. Page Set Up
  4. Password Set Up

# Logging in for the first time

## MULTI-HOST INTERNET ACCESS PORTAL

"Providing a secure solution for a global network"

JOSIE HANCOCK

To create a new account or modify an existing MIAP account please fill out all the information below.

Failure to completely fill out the form will result in your account not being created.

Please fill out the form as accurately as possible, the information being requested will aid us in supporting you in the future.

Community of Interest:  **4**

Unsure what to select? Click the question mark.

**Description:** You MUST select your appropriate "Community" for this field. This field determines what sessions you will receive when your account is created. The fields listed in the drop down box are similar to the SWA links on the SWA homepage.

Email as it appears on your CAC Card:

**Description:** This field MUST contain the e-mail address that is registered with your DoD CAC card. If you put an e-mail address that differs from that of your DoD CAC card, your CAC/PKI authentication to MIAP will not work properly.

Instructions on how to obtain your e-mail address from your CAC Card

Please retype your email address:

**Description:** Your e-mail listed in this field must match the e-mail address entered in Field #2.

4 digit PIN:

**Description:** This field should contain a 4 digit PIN that will be used in resetting your account in the future. Without it you will not be able to reset your password. When logging into MIAP you must use your CAC pin.

Organization:

**Description:** This field should contain your DoD organization, max 30 characters. (i.e. DISA, DFAS, etc)

Commercial phone number including area code:

**Description:** This field is for your commercial phone number, including area code. This is a free form text field, you may enter your phone number with or without the ".\*".

DSN prefix:

**Description:** This field will contain your DSN prefix.

	MECH PRINTER SPOOL1 - PZSC90A9	
	MECH PRINTER SPOOL1 - PZSC90AD	

A yellow box with the number '4' is placed over the 'MECH PRINTER SPOOL1 {V2} double click' row.

**HOST LU will be your assigned printer ID**

A yellow box with the number '5' is placed over the text.

# Setting up assigned Printer ID

The screenshot displays the DISA Multi-Host Internet Access Portal interface. At the top, the DISA logo and text "DEFENSE INFORMATION SYSTEMS AGENCY DEPARTMENT OF DEFENSE" are visible. Below this is a blue banner with the text "MULTI-HOST INTERNET ACCESS PORTAL" and the tagline "Providing a secure solution for a global network".

The main content area shows a list of printer links. A red circle highlights a dialog box titled "Reflection for the Web" which is overlaid on the list. The dialog box has a "Host LU name:" field and "OK" and "Cancel" buttons. The list of links includes:

- MECH MODEL5
- MECH MODEL5 {V2}
- MECH M2F FTP
- MECH M2F FTP {V2}
- MECH M2O FTP
- MECH M2O FTP {V2}
- MECH PRINTER SPOOL1
- MECH PRINTER SPOOL1 {V2}
- MECH PRINTER SPOOL1 - PZSC90A7

At the bottom of the list, there are "Close Links List" and "Refresh Links List" buttons. The footer of the page contains the text: "Home | About DISA | Security & Privacy | Freedom of Information Act | No Fear Act Notice | DoD".
