MEMORANDUM FOR Director, United States Army Civilian Human Resources Agency,
Northeast/Europe Region, Unit 23152, APO AE 09227-3152

SUBJECT: Priority Placement Program (PPP) Area of Referral for Nondisplaced Employees

1. References:

- a. DOD PPP Handbook, July 2011, with subsequent updates.
- b. Memorandum, HQ USAREUR, AEPE-CB, 18 Jul 12, subject: Priority Placement Program (PPP) Area of Referral for Nondisplaced Employees.

2. In accordance with reference a, Chapter 5, Section C.6.a., nondisplaced employees should initially be registered for the minimum number of DOD activities likely to provide a job offer within the zone from which recruited, last resided preceding overseas service, or closest to the overseas activity. Employees may not skip over activities or states and register for more distant locations. After 90 days without an offer, the initial area of referral must be expanded to the closest adjacent zone, up to two full zones. After an additional 90 days without an offer, the area of referral must be expanded to include all of CONUS. If the initial area of referral is located in the zone most distant from the overseas activity, the first expansion after 90 days without an offer may be for any zone closer to the overseas activity. This expansion policy does not apply to nondisplaced overseas family members. Those employees should be registered in accordance with procedures found in reference a, Chapter 5, Section F.

3. This memorandum rescinds and replaces reference b.
