

COVID-19 Risk Assessment Flowchart

Have you traveled to a high-risk affected area or recently arrived from a high-risk area?

YES

NO

- Notify your Chain of Command/Supervisor/FRG. 

- Self-isolation or quarantine is required for 14 days.

- If you have flu-like symptoms during those 14 days, contact your primary care provider or call the Nurse Advice Line.

YES

Any contact with a confirmed case of COVID-19?

NO

Good news! You have no identifiable risk for COVID-19.

With it being flu season, do you have flu-like symptoms?

YES

NO

- Contact your health provider
- Notify Chain of Command/Supervisor
- Stay home from work/school
- Avoid contact with others
- Do not travel
- Service members may be placed on quarters (up to 72 hours). 
- Family members, DoD Civilians, Local Nationals, and contractors should stay at home until fever free for 24 hours without the use of medication.

Follow Preventative Measure Tips/Guidelines:

- Wash your hands often with soap and water for at least 20 seconds OR use alcohol-based hand sanitizer.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
